## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-22, 29-31, and 35-39 are allowed.
2. The following is an examiner's statement of reasons for allowance: the examiner is unaware of any prior art which suggests a non-volatile semiconductor memory device of the split gate/channel type, with source/drain diffusions along the bottom of a trench which utilizes a charge trapping dielectric layer instead of a floating gate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
